Dear Friends:

From meal delivery apps and curbside pick-up to social distancing at street-side dining and backyard BBQs, the dining experience is ever-evolving. What hasn’t changed, however, is that food continues to bring us together. We are glad to share a few historical perspectives on food and dining. Enjoy!

Noted Elsewhere: Race, Food, and Health

Nursing Clio is a great online publication at the intersection of health and history. In this interview, author Travis Weisse speaks about his prize-winning article on Chicago-based nutritionist Alvenia Fulton, soul food and Black liberation.

We look forward to welcoming you back to the Library. As we wait, stay safe, stay engaged and stay connected.

The NYAM Library Team

Your support helps us preserve the Library’s treasures, share them with researchers and the public, and safeguard the history of medicine to inform the future of health.
